Private Waste Management Sites to Accept Hurricane Ike Debris from County Residents

Allied, Casco, Waste Corporation of America (WCA), and Waste Management (WM) will begin accepting Hurricane Ike debris to provide residents of Harris County additional ways to clear debris quickly from their property.

The **Allied, Casco, WCA, and WM** sites are **privately** managed sites and may charge a fee for disposal. Please contact the site for information regarding fees, hours of operation, and types of waste accepted.
